Vital For The Future: Safety Tax Gets Public Meeting On March 26

BY JUDY KRAMER
Staff Reporter

On April 2, Clinton voters will have the opportunity to vote for a Public Safety Tax of one-half cent on the ballot. Approval of the tax will enable Clinton's Fire and Police Departments to increase citizen safety with an increase in firemen and police road officers on each shift. It will also provide a more competitive pay salary for retention and recruiting purposes and will allow emergency funds for miscellaneous needs.

Clinton City Council members will host a Public Safety Tax Informational Meeting to discuss the issue and provide information on Tuesday, March 26, in the Cummings Room at the Benson Center. It begins at 6 P.M. Attending the meeting to help answer questions will be Fire Chief Mark Manuel, Assistant Fire Chief Matt Willings, Police Chief Kevin Miller and Deputy Chiefs Captain John Scott and Captain Paul Abbot.

"The Police and Fire Department personnel have asked the City Council for additional personnel, but the city has not been allowed by statute to put a Public Safety Tax on the ballot until now," said Clinton Mayor Carla Moberly. "Senate Bill 186, signed by Governor Parson in July

SHOWING THEIR SUPPORT for a Public Safety Tax, Firefighter Matt Kramm, Steven Cross, Mayor Carla Moberly, Chief Mark Manuel, Firefighter Danny Bailey and Firefighter Chris Reno urge citizens to attend an informational meeting on March 26 at the Benson Center.

Mayor Moberly said that in 2017 the city approved a one-quarter percent fire protection tax, but it could only be used for the purchase of fire trucks, vehicles, and the addition of an assistant fire chief.

Fire Chief Mark Manuel said that his department is looking to hire six new firefighters. He said that

there are currently four on each shift, and they can sometimes supplement with volunteer firefighters, but they usually have other jobs and are not always available.

"Now we have two on the truck and two fighting fires during a fire call," said Chief Manuel. "But, when personnel are off for vacations or illness, it can result in a shortage that could put our firefighters in harm's

way as well as the citizens that we are protecting. We can't perform to the best of our ability."

Chief Manuel said that recently a man got stuck in a grain bin up to his chest with more grain falling on him. It took nine firefighters to rescue him, and that was because it happened during a shift change and both shifts were available. Normally there would have

ZERO TAX LEVY INCREASE
APRIL 2, 2024

4 Things to Know Before 4/2

Over the past several weeks, district administration has enjoyed visiting with various groups in the Clinton community regarding the upcoming election. During these conversations, we have received many supportive comments about the need to keep students safe, our buildings well-maintained, and the desire to support our teachers and staff with increased pay. The Clinton School District is fortunate to have the support of caring community members, who take great pride in our students, staff, and schools. Today the district

would like to provide additional details about how Question 1 (Zero-Tax Levy Increase Bond) and Question 2 (Zero-Tax Increase Levy Transfer) work.

For school districts in Missouri, there is no dedicated funding source for the renovation or construction of school facilities. The primary route to gaining access to funding is through the issuance of bonds to generate funding for these needs, or by increasing the tax levy. Thanks to good financial management, the district has paid off a large portion of debt incurred from past construction projects and does not need to raise the tax levy. Know Page 3

Crossroads Of Opportunity For Windsor With Rock Island Trail

BY JENNIFER JACKSON
Staff Reporter

People come from all over the world to ride the 240 miles of the KATY Trail, the longest continuous rails-to-trails recreational trail in the United States.

When the next 144 miles of the Rock Island Trail is completed and is connected to the KATY trail at its eastern end, the loop will become the longest rails-to-trails route in the world.

Both the Rock Island Trail and the KATY Trail are state parks, and both go right through the town of Windsor.

Kim Henderson, owner of Kim's Cabins in Windsor, gave an update of the development of the Rock Island Trail at the March 10 meeting of the Windsor Historical Society. Her message:

"Wake up, Missouri. Wake up, Windsor," Kim said. "We're unique. We have both trails here, handed to us."

the KATY or the next 144 miles of the Rock Island."

As vice-president of the Friends of Missouri Rock Island State Park, Kim spoke last June at the official opening of the first 47-mile section of Rock Island Trail State Park, a recreational corridor for walking, biking and non-motorized transportation, which starts at

Pleasant Hill and goes to Windsor, with trailheads in Medford, Chilhowee and Leeton. The ceremony was held in Windsor, where the KATY Trail passes over the Rock Island Trail on a bridge, near the Windsor High School.

The next 144 miles of the railroad trail corridor, is not yet developed or open

to the public. But in 2022, Kim attended a signing ceremony in Eldon, where Missouri State Parks officially accepted ownership of the former Rock Island Line track bed that spans mid-Missouri, going through Henry County to Ionia and Cole Camp in Benton County, then St- Rock Island Page 9

Have I Got A Line For You!

By James Mahlon White

Lots of things headed our way. Whether we'll like them or not, who knows. The Devil Comet will make an appearance on April 21. If it's a clear night, we should be able to step outside and watch it sailing through the sky. Named The Devil Comet for its pair of horns, it won't return until 2095. Many of us will have sailed somewhere else by then and I wonder what our world will be like? Life sure goes by fast, like the blink of an eye and I remember Hale-Bopp in 1997. What a splendid sight it was. When it zoomed across the sky I was living in Highlands Ranch, Colorado and thought it was magnificent to see against the Rockies.

This spring two different broods of cicadas, one that lives on a 13 year cycle and the other on a 17 year cycle, will emerge at the same time from underground. The last time this synchronized event occurred was 1803. This miraculous duo won't appear again until 2245. AMAZING! Close your eyes and imagine the sounds of cicadas, crickets, birds, frogs, toads and other species. If you were to travel back in time, 500 years ago, the same sounds would be present in our area during a warm summer night. Then as now, these sounds are a familiar reassurance. At least I've found that to be the case.

Let's get back to the present. Judge McAfee said DA Fani Willis could stay on the election interference case against President Trump, even though her actions have, "The odor of mendacity, unprofessionalism and a tremendous lapse in judgment." This is just another version of yes Hillary destroyed 33 thousand emails that contained classified information, but shouldn't be charged with anything. Same for Fani. She lied and mishandled a case against a former President, but no big deal. We'll

just tell her to clean up her act and move on. Lapse in judgment is the new code word for government officials who commit crimes. Every person that commits a crime has a lapse in judgment, don't they? UNBELIEVABLE! Bet Fani feels so entitled she'll run for Governor. Ain't life grand in our Banana Republic?

I've rambled on a bit, but have enjoyed doing so. Take care of yourself Old Buddy and as subscriber Trevis Headings commented, "It's a good day to have a good day!" You betcha.

Dear Friends of Education:

The Society for Academic Excellence invites students who have achieved a 3.5 or higher grade point average during this school year to be recognized. Last year, 295 students were honored, including 73 graduating seniors who maintained a 3.5 GPA each year throughout high school. In addition, four seniors from Clinton High School and one senior from Clinton Christian Academy received \$500 scholarships. We invite you to join other individuals and businesses in the Clinton area to help honor the scholastic achievements of Clinton High School and Clinton Christian Academy students.

This year marks the 36th anniversary of the Academic Excellence Program, all because of our supportive community which has taken an interest in education for the youth within our school districts. Our program this year will be focused on providing a quality experience for our students and an opportunity for the graduating seniors to be recognized with scholarships to encourage furthering their education.

The consistent support of the program from sponsors like you have allowed the Society to provide this recognition for our top performing students and their families. Your contribution of \$50.00 as a Silver Sponsor or \$100.00 as a Gold Sponsor will benefit the students as they receive their official Academic Excellence medals and ribbons. For your support, you will receive the following:

1. Recognition in the CHS Academic Excellence Ceremony's program with that ceremony being held on April 17th. CCA includes A.E. as part of their year-end ceremonies, and you will be recognized there as well.

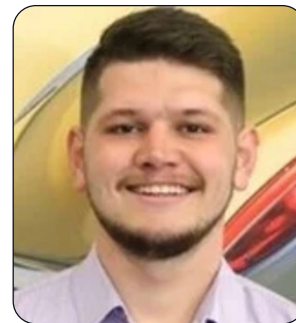

2. Listing as a Silver or Gold sponsor in Chamber of Commerce Facebook Chamber 3

only been four to rescue him.

Chief Manuel said that the level of staffing in the department has not changed since 1975 when the department had about 250 calls a year. Last year they responded to 1500 calls. These calls included fires, car accidents, medical incidents, inspections on local businesses and other matters. He discussed the fire protection tax of 2017 saying that all that money was spoken for and is used to maintain and upgrading the fleet.

"We are not sitting idle when not on calls," said Chief Manuel. "We are busy all day doing a lot of public education in schools, teaching businesses how to use fire extinguishers, and training for weather safety and awareness. When we are on duty and not responding to a call we are doing our own training. We spend about two days a month training on top of our regular schedule."

Captain John Scott, one of two Deputy Police Chiefs in Clinton, said his department needs people and equipment.

"We are asking for four additional road officers, one for each of our four shifts," said Scott. "It doesn't take much to go from four down to two officers with time off for leave or illness. Two officers are the bare minimum, and an additional staff member would give us at least three. If there is a car wreck we can take care of it, but it is better with more officers. An extra person will mean better response time, more safety, and less overtime costs to cover absences."

Captain Scott said that if the Public Safety Tax passes, the income will be shared equally by the Fire and Police Departments. A pie graph depicting the percentage of new tax money going for specific needs in each department can be viewed on the Clinton Police Department Facebook page.

"A revised pay schedule is important to help our departments recruit and retain," said Scott. "Our starting pay is not comparable to surrounding communities. It used to be that a lot of people applied for jobs with our department, but that is no longer happening."

Captain Scott said that there were 944 calls to the Police Department in January 2024, or an average of over 30 calls a day, and some of those days 30 calls are being handled by only two road officers. He said that the number of calls increase in the summer and some of them take hours.

ROCK ISLAND
Continued from page 1

ver, Versailles and Barnett to Eldon, and crossing five more counties to Owensville, Gerald and Beaufort, south of Washington.

"We're at one end of a 450-mile loop," Kim said of Windsor.

Kim said Rock Island Trail supporters had hoped for a state grant to develop the recreational trail, but funding fell through. So the Rocky Island Trail is now progressing one section at time, Kim said, as towns along the trail get financing.

"Six communities have gotten grants," Kim said. "The town of Gerald, south of Hermann, is expected to have the first mile of trail finished."

Gerald used local funding and donations, she said.

To connect the Rock Island Trail to Kansas City on the west end, Jackson County purchased and created a paved bicycle path that starts at the Chiefs stadium and goes through Raytown and Lee's Summit.

Raytown really benefited from the increased tourist traffic, Kim said.

"Crane Brewing suddenly became the place to be," she said of the brewery at 6515 Railroad St. "Local cyclists come for day rides, and people fly into Kansas City with their bicycles, unpack them and ride the trail."

There is one unfinished section between Lee's Summit and Pleasant Hill, but from Lee's Summit, the Jackson County section connects to the sports stadiums in Kansas City.

Cole Camp is two miles off of the route of the Rock Island Trail, Kim said, but the community has gotten a grant plus donated land to put up a trailhead. Once sections of the Rock Island Trail are developed through the communities, it will be a matter of connecting the dots, she said.

Kim said her cabins are already booked for half the year, and not all the visitors are cyclists. People stay at Kim's Cabins who are in town for weddings, the birth of grandchildren and annual family reunions, Kim said. The cyclists say they enjoy the quiet, the farmland and the Amish.

The Rock Island Trail through Windsor now extends to Windsor's Farmington Park, which has a fishing lake, a half-moon bridge and a disc-golf course. In Central Missouri, the route of the Rock Island Trail goes through three tunnels and over two bridges, the most impressive being the 1,700 foot long Gasconade Bridge over the Gasconade River.

One of Kim's visits to trail sites along the Rock Island included experiencing what it was like to walk on the old bridge.

"I was very hesitant to walk out of on it," she said. "I had to hold onto Ron's hand," referring to Ron Bentsch, trail development coordinator.

Kim also got to go through one of the tunnels, and describes the features on the Rock Island Trail as "just amazing." Unlike the KATY Railroad, the Rock Island Line shipped produce and products, connecting more than 20 small historic railroad towns in Central Missouri. Plans call for the recreational trail to turn north and connect with the KATY.

At the next meeting of the Windsor Historical Society, historian Glynda Morse will give a history of the Rock Island Railroad, which first arrived in Windsor 120 years ago. The train is gone, the coal is gone, and the shoe factory is gone, Kim said, but what Windsor has now is the trail and the economic opportunities to provide services for cyclists.

With bicycle tourism growing, people are seeing the potential of Windsor. Donovan and Kelly Thompson moved to Windsor and restored a shop front at 212 S. Main St., where they opened The Pour Poet, a coffee, tea, book and antiques shop. Donovan is now working on the space next door, which he is turning into the Restore It Shop, Kim said.

In another development, a couple opened a barbecue restaurant, with plans for a taproom.

Other Windsor Historical Society programs on the horizon: On May 11, Tom Colwell will give a program on Henry Avery, the first person of European ancestry to settle in Henry County. In June, Dorothy Warren will present a program on Windsor bowling alleys, particularly appropriate now that someone is starting to renovate Windsor Lanes.

In July, Bob Colvin, a Jefferson City photographer, will present "Back Roads of Missouri and Beyond." The Windsor Shoe Factory annual reunion of employees and descendants is in August, starting with a luncheon at Windsor United Methodist Church.

The Rock Island Trail will not be completed quick-

ly, Kim said, but it's coming. When she first moved to Windsor, where she worked at a bank and then the city administrator, she watched the dotted line on the map of the planned trail for 15 years. She put up her first cabin 10 years ago near the bridge where the KATY Trail crosses over the Rock Island Trail. At that time, Windsor's only lodging option was the motel, which could house 17 people.

Kim put up three more cabins and in 2018, quit her full-time job. The cabins are booked for half of this year, she said. Due to family situations, Windsor lost two other lodging options, Fitzgerald's and the Porter House, but she's hoping more people will see the opportunity.

"I want people to see the big picture," Kim said. "We have a huge potential as the trail expands."

Kim noted that visitors eat at local restaurants, and buy groceries and gas. Judy's Kitchen and the Wagon Wheel are popular, and last Saturday, there wasn't a vacant table at the Sidetrack Cafe, the train-themed restaurant at 800 W. Benton.

Kim thinks there's room for more lodging options and restaurants offering different cuisines in Windsor. She sees promoting the trails as a team effort of Windsor residents and the residents of all the towns along the recreational trails.

"I've heard that 40,000 people have biked the KATY Trail," she said. "I think there's been more than that."

The Windsor Historical Society meets on the second Saturday of the month. February through December, in the Research Center at the Windsor Museum, 214 W. Benton St. From Clinton, take Mo. Hwy. 52 E to Windsor and turn left at the four way stop/main intersection. Meetings are preceded by a light lunch at 12:15 p.m, followed by a short business meeting and a program at 1 p.m. Call Dennis Carter at 785-224-8956 for more information.

Continued from page 1

This effective management of funds has allowed us to seek approval of an additional \$14 million in bonds to enhance safety and extend the life and functionality of district buildings and facilities. This bond issue will not increase the tax levy, only extend the current bond 20 years.

We believe Question 1, and other bond issues like it, are the most responsible way for the district to tackle large capital projects to ensure facilities are safe, maintained, and equipped properly for succeeding generations of students in our community. If not addressed now, many of the proposed bond projects (ie, building settlement issues at Clinton Middle School) could lead to bigger and more expensive projects down the road.

So, how does Question 2, the Zero-Tax Increase Levy Transfer, work? The district is seeking authorization from voters to make adjustments to the district's debt services and operating tax levies with the purpose of providing a more competitive compensation structure for teachers and staff. The proposal is a transfer of 15 cents from the debt service levy to the operating levy. This transfer of funds would simply decrease the debt service levy from \$.8168 to \$.6668 while increasing the operating levy from \$3.0511 to \$3.2011. Regardless of how one votes, the existing levy of \$3.8679 (debt service and operating levies combined) would remain unchanged.

One could compare this to transferring money between your personal checking and savings accounts. If you have \$100 in each account for a total of \$200, and transfer \$50 from your savings account

to your checking account, you still have the same \$200, it is just structured differently.

Next week we will wrap up our 4-part informational series. As we approach the April 2nd election, please don't hesitate to reach out to the district with any questions you might have. Feel free to stop by Central Office, send an email to bwishard@clintoncardinals.org, or call us at 660-885-2237.

Fish Shack Shakes It Up With Year Two Changes

BIG PLANS ARE ON THE MENU at Frank's Fish Shack with a pavilion for outdoor dining this season. Terry and Angie Carey reopened the burgeoning eatery last weekend.

A 24 by 48-foot pavilion for covered seating. Live music on summer nights. Cold beer and fresh-fried catfish.

Along with southern-style sides and desserts, Frank's Fish Shack

on Hwy. 7 S. will be even more of a draw for lovers of fish dinners like you used to find in the South.

Angie and Terry Carey opened Frank's Fish Shack a year ago on their property, naming it after

Terry's father, Frank Carey, an ardent fisherman of nearby Truman Lake.

The plan: to start a business that taps into their cooking skills and love of hosting fish fries for friends and family, and transition the couple into the next stage of their lives.

Franks' Fish Shack has been such a hit that since July, Terry, a bricklayer like his father, no longer has to commute to the Kansas City area to oversee construction sites.

"The Shack enabled us to afford him to retire," Angie said.

Terry is the official fish fryer, taking the fresh premium catfish, delivered every week from the Delta, coating it and frying it to perfection when it's ordered.

"The quality is what makes the difference in

the taste," Angie said.

Angie still works from home, but as the week-end approaches, cooks up Cajun-inspired side dishes and southern desserts. She hasn't tired of making food, she said, but looks forward to planning what she's going to make to add to the menu.

"I come up with something different every week," she said.

She and Terry can't believe it's been a year since they opened last year at the end of March. They expected the endeavor to be successful, she said, but "not this successful." Last year's opening generated so much buzz that they sold out of Fish Shack T-shirts twice before they even opened.

A few weeks ago, the Careys took a spring break and were gone for close to two weeks, Angie said. But since they reopened, it's been "crazy busy."

"Last weekend we ran out of everything," Angie said. "Everybody was missing the Shack."

Angie said once they got the system down, everything ran smoothly. The best part was getting to know their regular customers on a first-name basis.

"We have not dealt with one angry person," Angie said. "Everybody has been very nice, and appreciative of us being here. It makes us want to do what we do even more."

The hardest part was figuring how much food to make, Angie said, so that they don't run out. They always sell out of the individual fruit pies, called crab pies or hand pies, which she and her daughter make.

"It doesn't matter how many I make, 50 or 100,"

Angie said. "We sell out every week."

Terry said that the hardest part for him is when there's a line of customers at the window and he's trying to get the orders out. The longest people have had to wait is 10 minutes, Angie said.

Now the Careys are waiting for the trestles to build the pavilion, Angie said, which they expect to arrive next week. The liquor license has been approved, she said, and will be signed off once skirting is added around the base of the Fish Shack. That will be done after the pavilion is finished, Angie said, in case the position of the trailer has to be adjusted.

"The majority of the tables will be under the pavilion," Angie said, "and we'll have sun shades on the sides which can be lowered to block wind and rain."

They've lined up five bands to play on a week-end night May through September. An Acoustic Jam Night is scheduled for the last Saturday in June 29, from 6 to 10 p.m., and will feature Emmitt Rickey and Clay Clear.

In addition to summer jam fests, the Shack will participate in the "Dine and Donate" fundraiser on August 10 for the Henry County Memory Fund.

On August 17, they will hold the second annual Frank's Birthday Bash. Terry's father, who was born in 1933, would have

been 91 this year, "We lost him to Alzheimer's," Angie said.

The Shack is now open Fridays from 1 p.m. to 6 p.m., and noon to 6 p.m. on Saturdays. Starting in May, it will also be open for lunch on Sundays from 11 a.m. to 2 p.m. The Shack did offer breakfast, but now Angie does brunch once a month.

"I make biscuits and gravy," she said. "I make 60 biscuits and usually sell out by 11 a.m."

She said they may also take their smaller trailer into town on Cruizin' to Clinton nights, which are on the second Saturday of the month from 4 to 7 p.m., starting in May, and sell fish tacos and hand pies on the Square.

On nights they have live music at Frank's, they will stay open until 10 p.m, she said.

Frank's Fish Shack is on their property next to their house on Hwy. 7 S., just west of Tightwad. The address is 932 SE Hwy., Clinton MO 64735.

The Fish Shack is open if you see the flags in their driveway flying after you pass SE 901 Rd. There is a graveled drive with lots of parking and room to turn around RVs or boat trailers.

The Fish Shack does not accept checks, and a fee is charged for credit card use. Check Frank's Fish Shack Facebook for special events and Angie's weekend selection of side dishes.

ALBERTA LOUISE CRAWFORD

Alberta Louise Crawford, age 91, of Clinton, Missouri passed away on Thursday, March 7, 2024 at Adair Vil-

lage in Clinton, Missouri.

Alberta Louise Funk, daughter of Albert Parker Funk and Goldie Ann McLain was born in 1932 at her rural home in Windsor, MO. She was the last surviving sibling of her large family consisting of her mother, father, four sisters, and two brothers.

As a young girl Louise helped her family by working on the family dairy farm. She milked cows before going to school each morning along with completing a host of other chores common to farm life while growing up. She proudly graduated from Calhoun High School in Calhoun, MO as a member of the class of 1950. After graduation Louise worked at the International Shoe Factory in Windsor, MO.

On December 30, 1951, she married Raymond Earl Crawford. To the union were born three children: Raymond Earl Jr., Tommy Lynn, and Shirley Louise. As a young mother of three, her main goal in life was to be a good wife, mother, and later a grandmother. She surpassed this goal in all titles and eventually added the title Great and Great-Great Grandmother to the accomplishment. She was deeply loved and known by so many friends and family simply as "Granny."

After years spent raising her own children, she went on to helping others raise theirs by working for the Clinton School District as a school bus driver for 20 years. Later in life she also worked for Citizens Union State Bank for 7 years as a courier transferring documents between the local and southern bank branches.

She was profoundly committed in her Faith and was an active member of the Golden Valley Christian Church until her health began preventing her from attending regularly scheduled services. In addition to always being an active member in her Church, she was also active in the VFW's Lady Auxiliary where she served as Lady Auxiliary President and Chairperson

for the Bingo Association. She took great pride in all the VFW activities and always worked heavily on the annual Buddy Poppy Fundraiser. She had a joy for conversation and loved a good visit from friends and family alike. She loved to share stories new as well as old and had a remarkable memory where she could provide full name and birthday dates for every family member past and present.

Throughout her life and marriage to Raymond, Louise was a Charter Member and past President of the Golden Valley Bluegrass Club. She could always be found setting up and operating the funnel cake shack at the local Bluegrass Festival. She and Raymond loved to travel to and camp at bluegrass festivals around the state. Her love of music continues to be passed on through her children and grandchildren generation after generation.

Louise had an infectious laugh and one of the best witches cackles you have ever heard when dressed in her favorite Halloween costume. While she had a passion for baking a variety of sweets, her angel food cake, homemade noodles, and homemade Christmas candy will always be time honored and cherished family recipes and traditions of every holiday season.

Louise was preceded in death by both of her parents, all six of her siblings, her husband, both of her sons, one grandson Paul, and one great granddaughter Meghan.

Louise is survived by her daughter Shirley and favorite son in law Dennis of Clinton, Grandson Roger (Cathy) Crawford and their children Caitlyn, Rhiannon, Gabriel, Aeowyn of Colorado Springs, Grandson Jeremy (Chrissy) Wilson and their children Hayden (Bailee) and Jase, Riley (Tara) of Clinton, Grandson Dennis (Christina) Crawford of Garden City and their children Tommy (Hailey) Connor and Oaklynn of Clinton, Shelby Crawford Garden City, Grandson Johnny (Melissa) Crawford and their sons Quincy and Alex of Clinton, Great grandson Logan (Chelsea) Wilson of Clinton, as well as several nieces and nephews.

Funeral services were held March 11, 2024 at the Vansant-Mills Chapel, Clinton with Pastor Tim Randall and Pastor James McFarland officiating. Special music included "Old Rugged Cross and Amazing Grace" sung by grandson, Johnny Crawford. The casket bearers were: Gabriel Crawford, Quincy Crawford, Alex Crawford, Tommy Crawford, Logan Wilson, Hayden Wilson, and Riley Wilson. The honorary casket bearers were: Roger Crawford, Johnny Crawford, Denis Crawford, and Jeremy Wilson. Interment followed in Englewood Cemetery, Clinton, MO.

The family would like to thank Golden Valley Hospice and all the administration and staff at Adair

Village in Clinton, MO for their exceptional care and compassion that they provided to Louise and her family.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, MO.

JAMES ALLEN "JIM" MANESS

James Allen "Jim" Maness, 76, of Clinton, Missouri passed away Tuesday night, March 12, 2024 at his home with his wife of 32 years, Vickey, by his side, and overlooking his favorite location on Truman Lake. He was born March 30, 1947 in Pleasant Hill, Mo., the son of James Wilbur Maness and Mary (Simpson) Maness.

Jim began working in the grocery store business with Milgrim's food stores the day he turned 16 and worked for Milgrim's until their last family store closed. He later went to work for Price Chopper, working his way up the store ladder, retiring as manager. He spent over 50 years of his life in the grocery store business. He was known for his sense of humor and reliability, missing only a handful of days in those 50 plus years. He was a veteran of the Army National Guard. He enjoyed hunting and fishing, but with his recent severe heart condition he wasn't able to enjoy his hobbies like he used to. He was instrumental in teaching his young grandsons, Jonathan Henderson and Daniel Clark, proper gun safety so they could thoroughly enjoy their many hunting trips with Grandpa.

He married Vickey Lynne Webb in December of 1992 in Grandview, Mo., and she survives of the home. Additional survivors are three daughters, Cynthia Hoepfer, Kimberly Arns Mayer and Jennifer Maness; two stepsons, Aaron Henderson (Donna), and TK Webb; numerous grandchildren and great-grandchildren; her sister, Mary Ellen Bernal; two nieces; Ferguson family, friends of 50 plus years; and Spears family, friends of 60 plus years. He was preceded in death by his parents; and good friend of 60 plus years, Phillip "Randy" Spears.

Jim professed his faith in the Lord Jesus Christ in 1994, joining the Lee's Summit Baptist Temple.

A memorial Celebration of Life will be at Noon Tuesday, March 19, 2024 at the Bradley & Hadley Funeral Home, Clinton. The family will receive friends from 11:00 a.m. to Noon,

just prior to the celebration. The family suggests memorial contributions to the Golden Valley Hospice and these donations may be left in care of the funeral home. Condolences may be left online at www.bradleyhadley.com.

Calhoun Community Church

Welcome to the Good News from the Calhoun Community Church. Our church family gathers at 9:30 a.m. for pre-church food and fellowship. We use this special time for visiting with one another and welcoming guests as they arrive for worship. We sign cards of encouragement for our card ministry. Tucker McNeely rang the church bell to call our church families to worship.

We extend our sympathy and Christian Love to the family and friends of Shirley Bilbruck, who passed into the arms of Jesus. We continue to pray for our military men and women and their families, as well as others in service jobs that we depend upon daily. Everyone in our once great country should be praying for a return to normalcy. We pray for guidance as we continue to grow, here on the southeast corner of the Calhoun square.

Joys to celebrate: We were blessed with another beautiful, sun shiny morning, on this Saint Patrick's Day. Patty Dump blessed us with her presence today. She thanked the church members for the prayers and cards, while she is recuperating from her back surgery. We were pleased to have Jerry Reed be the song leader, in Tom's absence. Praying Tom and Barbara Colwell have a safe and joyful time in Texas. Thank you goes out to Carol Lane, who brought cookies and Sue Lesmeister, who brought peanut brittle, which were thoroughly enjoyed. Birthday wishes, as well as many more to Linda Hawkins and Savannah McNeely, who had birthdays

this last week. Special Music by: Ms Verna, "If That Isn't Love". As always, she did an awesome job.

We are an impromptu and diverse group here at Calhoun Community Church! We try very hard to encourage each other, have a little fun and glorify the Lord at the same time. There were 24 present today.

An Old Irish Blessing:
 May the road rise to meet you;
 May the wind be always at your back,
 The sun shine warm upon your face,
 The rain fall soft upon your fields,
 And until we meet again
 May God hold you in the hollow of his hand.

Drakes Chapel UMC

Can we all agree and believe that all God's creatures are special? Well, we sure love our furry four-legged friends at Drake's. This Sunday we had two of our furry canines with us for worship. Isso and Susie were the perfect guests. They received lots of love and perhaps a treat or two. And we would be remiss to not to mention our special four-legged friend from a near by neighbor that greets us almost every Sunday morning with a wagging tail. Where would this world be had God not created man's best friend.

Pastor Margie's message spoke of relationships. Our relationships with our spouse, our friends, co-workers and most important our relationship with God. Our Lord and Savior so wants to be in a relationship with us. But it takes commitment and a willingness to be ever present with one another. That is what God wants from us. To seek Him in everything we do.

Our Bible study this week will focus on Paul and his relationship with Jesus. This study from Tom Berlin has brought to light the characters surrounding Jesus those last 3 days.

Our journey to Holy Week begins with a brunch following worship on Palm Sunday. This is a time we share with our church family and enjoy fellowship and great food. All are welcome.

We all love those chocolate bunnies and Easter eggs that kids seek to find during this time, but make way Mr. BunnyJesus Christ has Risen is the message we hope our kids will remember after the chocolate is gone.

We look forward to sharing our worship experience with you. Whether in person or on Facebook live. We begin at 9:00 each Sunday. Drake's Chapel is located 5 miles east of Clinton off 52 hwy. We would love to show you how easy it is to find a relationship with us and Jesus Christ.

First Baptist

On Sunday, Pastor Pat Findley referred to Matthew 26 in his message titled, "The Betrayer Was There". Judas is widely known as the ultimate betrayer. Although we don't really know how Judas came to follow Jesus, he is listed as a disciple in the Bible. Judas is often listed last among the disciples, but witnessed all Christ did in the three and a half years leading up to the cross. Expecting Jesus to lead the collapse of Rome, Judas became frustrated as Christ helped the helpless. This story reminds us that it doesn't matter how Christian we look on the outside if we are spiritually dead on the inside. Judas had mastered hypocrisy, which refers to the changing of masks we wear in different scenarios. Jesus knew that Judas' soul was not right before God and that he would betray Him. However, He calls us to love others, even our enemies. Jesus came to make a way. His death on the cross accomplished all we need for salvation. Grace is greater than your sin if you know and trust Him. Do you know Jesus?

On March 30th, beginning at noon, local churches are coming together on the Clinton Square for the Rise & Shine Easter Celebration. Celebrate Recovery is on Tuesday evenings at 5:30 pm at the Vansant location for anyone with hurts, habits, or hangups. GriefShare is offered every Thursday at 6 pm, for help and encouragement after the death of a loved one. Worship service times are 9:30 a.m. and 11:00 a.m. and Sunday School is offered at 8:15 a.m. and 9:30 a.m. For more information and upcoming events, please visit www.firstbaptistclinton.church or find us on Facebook at "First Baptist Church - Clinton, MO".

We invite those without a church home to join us in worship of our Lord & Savior, Jesus Christ. First Baptist Church exists to fulfill the Great Commission (Matthew 28:19-20) by loving people into a growing relationship with Jesus Christ.

First Presbyterian

This week was the fifth step on our Lenten journey, sacrifice. The Lord calls us to commit our lives to him. He requires us to be willing to make the ultimate commitment of our whole lives. Place your trust in Him. He will give you the confidence and courage to face the future with hope. "Now the Green Blade Rises" was the anthem this week. Rev. Nancy Gillard's message titled Traveling Light was taken from John 11:32 - 44.

The sewing of hygiene products for young ladies in Africa project continues under the guidance of the dedicated Presbyterian Women's group. If you want to help, you will find the needed materials in the foyer. PW members welcome questions about this mission effort. A collecting of diapers in

sizes 3, 4 and 5 for the Samaritan Center is currently going on. This effort will benefit families in Henry County. Won't you be a part of this work? You may bring in your donations through Sunday, April 25. If you have any Best Choice labels don't throw them away because they are redeemable! Instead, please place them in the basket on the foyer shelf.

As Holy Week approaches please mark your calendar for these events and make plans to attend each one. Maundy Thursday Service with Holy Communion will be at 5:30 pm March 28. Our Good Friday service will be held at 12:00 noon March 29. Easter Brunch will be 9:00 am Easter Sunday morning. All are welcome. A Community Rise & Shine Easter Event will be held downtown on the square Saturday, March 30 from 12:00 noon - 3:00 pm. Activities will include an Easter egg hunt as well as face painting and other fun things for the kiddos.

The Community Choir practice continues each Thursday evening from 6:30 - 8:00 pm here in Fellowship Hall. Mark and Gay Smith are leading this choir. A concert will be held April 18. Make plans to attend and enjoy the beautiful music created by this group of talented singers.

Tai Chi is the right exercise to improve your strength and balance. An advanced class has been added to Mondays at 11:00 am. You will also find a group participating in Fellowship Hall on Mondays and Wednesdays at 10:00 am. Do something nice for yourself and join this refreshing group.

The spirit of our living Lord can be found within the doors of First Presbyterian Church. Friendly, loving people will welcome you and make you feel at home. Worship with us at 10:30 am. A monthly newsletter and calendar of happenings is available on our website fpcclintonmo.net.

 The Bible teaches those who trust in God and have faith in Jesus Christ as their Lord and Savior, it is entirely because of God's work, not their own. For those who don't have faith in God or his son, Jesus Christ, it is entirely their own doing, not God's doing.
 Eph. 2: 1-3.

How is a person born again? Faith in Jesus is a gift of God, not our own decision or works. Faith comes through the work of the Holy Spirit through the preaching of God's Word and the sacraments of Holy Baptism and The Lord's Supper. Where are these "means of grace" most readily available to people? The Christian Church.
 Eph. 2: 4-7.

Through the preaching of the Word and the sacraments, God the Holy Spirit creates and sustains faith in all who believe. Are you concerned about your faith and salvation? Good! That is the Holy Spirit working in your life, calling you to Him. Those who have no faith in God don't concern themselves about such things.
 Eph. 2: 8-10.

Come to church this Sunday. Your faith will be renewed and strengthened through the Gospel message and fellowship with other believers. Praise God!
 Divine Service 1 pm. Sunday School 11:45 pm. Phone 660.885.4728.

Urich Baptist

It was a cold St. Patrick's Sunday as we came together to worship the Lord.

Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Gail Perryman playing piano. We rejoiced with Daryl and Millie Sloan on their 64th wedding anniversary. Lonny Bramell and Clint Keeney collected the offering.

The scripture passage from interim Pastor Steve Sowell's sermon was from John 11: 1-44. In this passage Jesus reminds us that His will and purpose is for each of us all in His time, and in His own way. Jesus intentionally waited to go to Lazarus to show others who He was. After 4 days in the tomb, Jesus spoke and raised Lazarus from death. With our faith in Jesus, He speaks to our hearts, gives us hope, and loves us unconditionally giving us the gift of eternal life. Have a blessed week.

Valley Center United

We are an open and affirming church and welcome all to come and worship with us next Sunday morning at 9 am.

Good Friday: March 29 -- on FB 6:00 PM

Ireland and Isaac lit the altar candles to begin our worship services.

God speaks to us and we know that he is with us. He tells us, "I Am The One, your Savior".

It is simple, as we gather every Sunday morning, we come to see Jesus. We want to feel his presence and know that he is near. During our Lenten journey, he reveals himself to us and to the world. He never leaves us.

Just the day before Palms Sunday, the story of Lazarus being healed by Jesus began spreading throughout the land. It was powerful proof that the presence of God was there. People began to be excited at this power of healing and felt the sense of his calmness. Jesus came to the people and told them what was to happen, that he would be betrayed, crucified, buried, but would rise again. There was no more denying as people listened as he told of God's presence in the world.

As we prepare for Holy week, we are reminded that not only did Christ die for our sins, but he was raised from the grave and defeated death. His death and resurrection is the heart of the gospel. By his wounds we are healed and our salvation was won.

The Shepherd Calls
 by
Dr. H. Wade Paris

WHEN TO SPEAK

This morning while I was reading the account of Joseph of Arimathea asking for permission to bury Jesus' body, I thought--Where was Joseph when they condemned Jesus? Obviously, Joseph was a sympathizer, maybe even a believer in Jesus. He was also a member of the Sanhedrin. Where was he during the "trial" that condemned Jesus? Was he out of town? Did he sit quietly and not speak up? Would/could his words have turned a bitter tide?

Early in the 1990's our church, Swope Park Baptist in Kansas City, Missouri, purchased 130 acres of land in Southwest Kansas City to relocate. This property would give us better access and would be more centrally located to our membership. On the eastern side of that property there was an established community which we hoped would enlarge our ministry reach.

Quite by accident I learned of a community meeting of this group and dropped in to tell them of our plans. I anticipated a mild but warm welcome. Boy, was I surprised! The community did not want us. They immediately complained of increased traffic, housing shortages, and other undesirable issues. They believed the land we purchased to the west was park property and would never be developed.

Not expecting a hostile reception, I had come completely alone. For the next half-hour, I was subjected to serious "we don't want you" rhetoric from nearly one hundred misinformed homeowners. Finally, a man on the back row of the group stood and said, "Who determined we didn't want this church here? I think this is a good thing!" Suddenly the hostile tide turned. "Yeah, who said we didn't want this? Why are we fighting this man.?" It was a very welcome turning point in our church's plans.

My encounter with the community group was just the beginning of a long struggle lasting a decade. I will forever be in debt to the man who spoke up that night. To this day, I have no idea who he was. I seriously doubt he has any idea how much his words counted.

I have told you all this knowing that Christianity is under serious attack today. Some day in some place you could be tempted to sit quietly and do nothing to defend what we believe. You might reason, "My words will not matter." Do not be too sure. Your words could turn the tide.

World Record! Snagger Brings Giant Paddlefish From Waters Of Warsaw

MDC congratulates Chad Williams of Olathe, Kansas for catching a world record 164-pound, 13-ounce paddlefish. Williams was on his first snagging trip March 17 when he reeled in the fish at the Lake of the Ozarks.

Chad Williams snagged a monster 164-pound, 13-ounce paddlefish at Lake of the Ozarks.

The 2024 paddlefish snagging season is off to a great start after an angler reeled in a world record fish at the Lake of the Ozarks. The Missouri Department of Conservation (MDC) congratulates Chad Williams of Olathe, Kansas for snagging a 164-pound, 13-ounce paddlefish at the Lake of the Ozarks March 17. The fish not only breaks the previous state record of 140 pounds, but also the previous world record of 164 pounds.

"I was lucky enough to get invited to go out snagging with friends," Williams said. "I'd never been snagging before. Never seen a paddlefish - didn't even know what it was!"

Shortly into the snagging trip, Williams hooked into something massive.

"I was thinking I was extremely weak because it was taking so long to reel in. My body was aching," he recalled.

After the fish made it onto the boat, the group immediately knew it was a

record. They later met MDC Fisheries and Protection staff at Three Brothers Meat Company in Montreal to weigh the fish on a certified scale. This makes the second state record caught in 2024.

Williams said he and his wife kept some of the paddlefish meat and shared the rest with their fishing group. He plans to taxidermy the head.

"I'm honestly still processing this whole thing," he laughed. "Conservation Agent Tyler Brown was in disbelief it was my first time snagging. He said, 'You don't have to go out fishing ever again! Nothing can top this!' and he's probably right!"

Missouri state record fish are recognized in two categories: pole-and-line and alternative methods. Alternative methods include trotline, throwline, limb line, bank line, jug line, gig, bow, crossbow, underwater spearfishing, snagging, snaring, grabbing, or atlatl. For more information on state record fish, visit <http://short.mdc.mo.gov/ZCp>.

An Irish Prayer

May God give you...
 For every storm, a rainbow,
 For every tear, a smile,
 For every care, a promise,
 And a blessing in each trial.
 For every problem life sends,
 A faithful friend to share,
 For every sigh, a sweet song,
 And an answer for each prayer.
